

The song of you

23/03/2011 on an Argentine bus. By Ben Palmer Fry (all rights reserved)

You sing light, you brighten jolly,

You wink smile, you festive folly.

You open notice, you good inspire,

You soothe spirit, you kindle fire.

You red yellow, you draw sowing,

You climb dancing, you knowledge knowing.

You danger brave, you Jesus follow,

You strong steady, you water wallow.

You ocean eyes, you blonde savannah,

You velvet white, you heaven's manna.

You story sonnet, you longing leaving,

You wander solace, you heart heaving.

You love be, you present past,

You joyous dream, you future last.
